**64.2(2)** Beginning April 1, 2008, a license that is renewed on April 1, 2008, that was originally scheduled to be renewed one year later as described in 645—paragraph 60.8(1) “b” shall not be required to meet continuing education requirements until April 1, 2010. This extension does not apply to a license(s) originally due for renewal on April 1, 2008.

**64.2(3)** Each biennium:

*a.* A licensee in this state shall be required to complete a minimum of 8 hours of board-approved continuing education, of which 4 hours shall be in the prescribed practice discipline. A minimum of 2 hours of the 8 hours shall be in the content areas of Iowa cosmetology law and rules and sanitation. Individuals holding more than one active license shall obtain 4 hours of board-approved continuing education in each prescribed practice discipline and an additional 2 hours in the content areas of Iowa cosmetology law and rules and sanitation.

*b.* A licensee who is an instructor of cosmetology arts and sciences shall obtain 8 hours in teaching methodology in addition to meeting all continuing education requirements for renewal of the instructor’s practice license. A licensee must comply with all conditions of licensure including obtaining a minimum of 2 hours each biennium specific to Iowa cosmetology law and administrative rules as specified in subrule 64.3(2), paragraph “i.”

*c.* A licensee currently licensed in Iowa but practicing exclusively in another state may comply with Iowa continuing education requirements for license renewal by meeting the continuing education requirements of the state or states where the licensee practices. The licensee living and practicing in a state which has no continuing education requirement for renewal of a license shall not be required to meet Iowa’s continuing education requirement but shall pay all renewal fees when due.

**64.2(4)** Requirements of new licensees. Those persons licensed for the first time shall not be required to complete continuing education as a prerequisite for the first renewal of their licenses. Continuing education hours acquired anytime from the initial licensing until the second license renewal may be used.

**64.2(5)** Hours of continuing education credit may be obtained by attending and participating in a continuing education activity. These hours must be in accordance with these rules.

**64.2(6)** No hours of continuing education shall be carried over into the next biennium. A licensee whose license was reactivated during the current renewal compliance period may use continuing education earned during the compliance period for the first renewal following reactivation.

*b.* Pertains to subject matters which integrally relate to the practice of the profession;

*c.* Is conducted by individuals who have specialized education, training and experience by reason of which said individuals should be considered qualified concerning the subject matter of the program. At the time of audit, the board may request the qualifications of presenters;

*d.* Fulfills stated program goals, objectives, or both; and

*e.* Provides proof of attendance to licensees in attendance including:

(1) Date, location, course title, presenter(s);

**645—64.4(157,272C) Audit of continuing education report.** After each educational biennium, the board may audit licensees to review compliance with continuing education requirements.

**64.4(1)** The board may audit a percentage of its licensees and may, at its discretion, determine to audit a licensee. A licensee whose license renewal application is submitted during the grace period may be subject to a continuing education audit.

**64.4(2)** The licensee shall provide the following information to the board for auditing purposes:

**64.4(5)** If the submitted materials are incomplete or unsatisfactory, the licensee may be given the opportunity to submit make-up credit to cover the deficit found through the audit if the board determines that the deficiency was the result of good-faith conduct on the part of the licensee. The deadline for receipt of the documentation for this make-up credit is 120 days from the date of mailing to the address of record at the board office.

**64.4(6)** Failure to notify the board of a current mailing address will not absolve the licensee from the audit requirement, and an audit must be completed before license renewal.

**645—64.5(157,272C) Automatic exemption.** A licensee shall be exempt from the continuing education requirement during the license biennium when that person:

1. Served honorably on active duty in the military service; or

An exemption provides for an extension of time or exemption from some or all of the continuing education requirements. An applicant shall submit a completed application form approved by the board for an exemption. The application form is available upon request from the board office. The application requires the signature of a licensed health care professional who can attest to the existence of a disability or illness during the license period. If the application is from a licensee who is the primary caregiver for a relative who is ill or disabled and needs care from that primary caregiver, the physician shall verify the licensee's status as the primary caregiver. A licensee who applies for an exemption shall be notified of the decision regarding the application. A licensee who obtains approval shall retain a copy of the exemption to be presented to the board upon request.

**64.9(1)** The board may grant an extension of time to fulfill the continuing education requirement.

**64.9(2)** The board may grant an exemption from the continuing education requirement for any period of time not to exceed two calendar years. If the physical or mental disability or illness for which an extension or exemption was granted continues beyond the period initially approved by the board, the licensee must reapply for a continuance of the extension or exemption.

**64.9(3)** The board may, as a condition of any extension or exemption granted, require the licensee to make up a portion of the continuing education requirement in the manner determined by the board.
